RESEARCH INTERESTS

Human-AI communication and mental models; technology adoption, trust, and human agency; digital platforms and creator-mediated communication; AI in everyday and organizational workflows.

RESEARCH IN PROGRESS

Xiong, S. (manuscript in preparation). *From Features to Workflows: How Creators Translate AI Capabilities for Everyday Audiences*. Sole-authored empirical study of creator-mediated AI communication on Douyin. The study examines how creators translate increasingly complex AI capabilities into accessible use cases and workflows, and how audiences respond in terms of understanding, relevance, agency, trust, and potential adoption. Current corpus: 43 AI-related videos, 3.2M+ total views, audience comments, and creator-side engagement data.

RESEARCH & FIELD EXPERIENCE

Co-Founder & Marketing Lead, AI Markethon — Los Angeles, CA (markethon.us) 2026 – Present

- Co-founded and am organizing a 24-hour AI × GTM marketing competition for builders, marketers, and creators; designed as a community/field-building setting for observing how AI capabilities are translated into stories, demos, and workflows for users.
- Connects founders, marketers, creators, and users around the practical challenge of moving emerging AI capabilities toward understandable, useful applications and adoption.

Independent Fieldwork — Bilingual AI Creator — Douyin, Xiaohongshu, TikTok 2024 – Present

- 600,000+ follower creator account; 43 AI-related Chinese/English videos on Douyin since May 2026, 3.2M+ total views and ~138K engagements, including a 12-video series on AI agents.

- Practice-based empirical setting for doctoral research, combining content observation with audience comments and backend engagement data to examine how AI capabilities are framed, interpreted, and taken up by non-technical audiences.
- Commercial AI collaborations, including Doubao and Qwen, providing market-side experience with feature education, demand formation, and creator-mediated communication of agent products.

PROFESSIONAL EXPERIENCE

Key Account and Project Manager — Hangzhou Duomai E-commerce Co., Ltd., Hangzhou, China Apr 2022 – Dec 2023

- Led brand promotion campaigns for global clients (Lancôme, Boots UK, Nestlé, G-III); managed cross-functional teams of 20+; KOL campaign planning and paid media strategy on Chinese platforms.

Executive Director — Zhejiang Xingyi Culture (EASE), Hangzhou, China Apr 2021 – Mar 2022

- Co-developed an e-commerce livestreaming talent program with a partner university; managed a team of 78.

TEACHING EXPERIENCE

Clinical Practice Intern — USC Rossier School of Education, Los Angeles, CA 2025 – Present

- Delivered communication-skills instruction to STEM majors; current clinical placement includes GRE-related instruction and classroom observation.

IELTS Speaking Instructor — Hangzhou EASE International Education Co., Ltd., Hangzhou, China Aug 2024 – Present

- Teach IELTS speaking to 50+ students; developed an AI-integrated speaking curriculum and assisted in testing an AI-driven spoken English practice tool, including pronunciation-grading and user-experience feedback.

HONORS AND AWARDS

Annual Education Influencer Award — Douyin 2024

Top Agency Partner of the Year — Duomai 2023

First Prize, Jiangsu University Student Art Exhibition 2017

School Scholarship and Outstanding Student Leader — NJUPT 2016

METHODS, LANGUAGES & TECHNICAL SKILLS
